

# Montessori Circle February 2019

"We discovered that education is not something which the teacher does, but that it is a natural process which develops spontaneously in the human being."  
~Maria Montessori

Wednesday, November 7, 2018 was Curriculum Night at MSBG. This evening is a great way for parents and families to see and experience what their children work on during their school day. The students are always excited to show their family their work.

MSBG was buzzing with activity before Thanksgiving Break. The halls were permeated with wonderful smells and excited giggles. Students had a wonderful day preparing and enjoying their Thanksgiving Feasts with cooking, baking, and playing games.

Author David FitzSimmons visited MSBG on Thursday, January 17, 2019. Students enjoyed puppet play, hearing the stories and learning about all of the adventures and how much work it takes to create and publish a book. Thank you to Leo Knox and The Bowling Green Arbor Troop and the Gleaner Life Insurance Society for making this event possible.

We love our Toddlers! January 14, 2019 MSBG hosted a ribbon cutting event to celebrate the opening of the Toddler Room. We were excited to share this wonderful space with friends and family. Thank you to the Bowling Green Chamber of Commerce, Bowling Green Mayor, Richard Edwards, community partners, friends and family for joining us.

Peace Pals is an important part of the peace curriculum at MSBG. Our students in kindergarten through 8th grade are placed in mixed age groups with our oldest students leading those groups. The Peace Pal leaders learn a lesson from our peace curriculum and then present it to their group and facilitate activities and discussions. Peace Pal groups also read books together in pairs or trios during Book Buddies. This experience not only support the peace curriculum, but also provides leadership experience and develops deep connections and friendships amongst students of various ages.
